

TexWrite® Cleanroom Notebooks

Permanent-bound scientific notebooks

Description

TexWrite® scientific notebooks are the only cleanroom notebooks available that provide the security of permanent, legally binding data records. The notebooks are constructed of durable TexWrite® 30, sewn bound into a Mylar®-sealed hard cover. The sewn binding prevents page removal without obvious damage. Additionally, each page is individually numbered and indexed for further security. All pages contain dual signature lines with dates. These combined features provide a legal foundation for findings and reports.

Features

- Blue, college-ruled TexWrite® 30 cleanroom bond
- 96 individually numbered pages
- Dual signature and date lines
- Index pages
- ID block
- Mylar-sealed cover
- Sewn binding
- Cleanroom packaged

Benefits

- Ultraclean with low particle and fiber generation
- Provides legal foundation
- Durable binding for long life
- Chemical-resistant cover material
- Fully indexed for easy data retrieval

Applications

- Scientific notebook
- Critical record keeping, data transfer and notes
- Legal recording
